

clearSeriesOfDiagram

```
/**
 * Clears the series at the given positions, so the graph won't
 * be shown anymore.
 *
 * @param diagram:
 * The diagram containing the series to clear.
 *
 * @param clearIndex:
 * The positions of the series that shall be cleared
 */
function clearSeriesOfDiagram (diagram, clearIndex) {
  /* ===== */
  // get the dataset
  var dataset = diagram.getChart().getXYPlot().getDataset();

  // clear all series of the dataset at the given positions
  for (var index = 0; index < clearIndex.length; index++) {
    dataset.getSeries(clearIndex[index]).clear();
  }
  /* ===== */
}
```
